

Dear IDPA SO Candidate,

Detailed Instructions for SO Candidates to access the pre-class Introductory SO on-line exam are provided below. Please note that you must take and pass this exam prior to taking the SO class. A copy of your test certificate indicating a passing grade of 70% or better is required for admission to the class.

Here are the details regarding the SO Test:

- The on-line test consists of 60 questions focused on the IDPA rulebook. The questions are randomly selected from a pool of more than 200 mandatory and optional questions.
- The exam is open book, meaning you can use a copy of the 2013 IDPA rule book and other materials, such as the acronym definitions from www.IDPA.com to assist you in answering the questions. The link for the rule book is provided below.
- A score of 70% or higher is required to pass.
- You must pass the test before taking the SO class.
- Immediate feedback on missed questions is provided within the software at the end of the exam, along with the rules citation for the correct answer and an acknowledgement of passing or failing.
- Please forward to the SOI a copy of your exam certificate (or the email you receive) indicating that you passed the exam with a grade of 70% or higher. Alternatively, you may bring a paper copy of either to the SO class as confirmation of your having passed. You are also encouraged to bring a copy of your exam feedback to the class so that you can review any missed questions from the exam with the SOI.
- There is a time limit of 3 hours for the test.
- You may only take the exam once in a 24 hour period.
- You may stop and save your work and return at a later time to finish.
- Once you have passed the exam, you will no longer be able to login to the system.
- When you follow the link you will be asked for your IDPA Member Number-please have that available. Instructions on the screen will guide you from question to question.
- If you have any technical issues (i.e. accessing test, website errors) with the test you can contact us at SOEducation@idpa.com. We will respond to your email within 2 business days.
- You will be asked for:
 - Your IDPA member number
 - Your name
 - The name of the SOI
 - The date of the class
 - An Acknowledgement that you agree to abide by the IDPA SO Code of Conduct

We wish you a successful exam experience!
